## Our Vision

Our vision is to become the globally acclaimed learning provider for financial and leadership education, by pioneering the generation and dissemination of knowledge for the enhancement of skills and capabilities of professionals and aspiring professionals.

## Our Mission

As a center of learning, our mission is to forge an inclusive learning haven, uniting diverse perspectives to cultivate impactful leaders and entrepreneurs who drive positive change in organizations and communities through innovation.

## Himanshu Vyapak

Managing Director

Dear Students,

It gives me immense pleasure to present our students to the professional world through this Placement Brochure. Since our inception, we have aimed to nurture skilled professionals and responsible citizens who contribute meaningfully to society. We strive to blend academic excellence with practical exposure, innovation, and ethical values. Our students think critically, communicate effectively, and adapt to evolving industry needs. I am confident they will uphold our values. I warmly invite recruiters to engage with our talented students and become partners in shaping a progressive and dynamic future for all together.

## Nisha Shah

Director

At FinX Institute, we believe education extends beyond textbooks. Our focus has always been on holistic development building technical competence, leadership qualities, and a mindset for innovation. We ensure our students receive not only academic knowledge but also real-world experience through internships, projects, and industry interactions.

The Placement Cell serves as a bridge between academia and industry, providing our students with a platform to explore their potential and contribute effectively from day one. We take pride in presenting a pool of young, dynamic, and capable individuals ready to take on professional challenges.

## Dinesh Sharma

Head - Enterprise & Director BFSI Sector Skill Council

The journey of Finx Institute reflects our dedication to excellence and innovation in education. Each year, we see our students transform into capable, confident professionals equipped with the skills and mindset needed to make a meaningful impact in their fields. We extend our gratitude to our faculty, staff, and industry partners for their constant support in shaping these young talents. As you explore this brochure, we invite you to discover the strengths of our students and the value they can add to your organization through their knowledge, determination, professional readiness, and growth future

## Rakesh Nair

Head Academics

At FinX Institute, we are dedicated to shaping professionals who integrate strong analytical abilities with ethical leadership and meaningful industry understanding. Our programs are structured to provide students with practical knowledge, adaptability, and confidence to succeed in today's dynamic financial environment. We deeply value our relationship with the corporate community, whose engagement enhances our mission and supports student development. As you read through this brochure, we warmly invite you to connect with our talented students—the future leaders of finance and analytics—prepared to contribute effectively and drive growth within your organization

Our batch brings together a vibrant mix of students from varied academic backgrounds, including commerce, management, science, engineering, humanities, and technology. Some join as fresh graduates, while others bring valuable professional experience, adding depth to discussions and projects with real-world insights. With balanced gender representation and participants from across the country — from major metropolitan hubs to emerging cities — we foster an inclusive and collaborative learning environment. This rich diversity in education, experience, and geography creates a strong peer network and enhances the overall learning journey, preparing participants to excel in a wide range of industries and professional domains.

**Mr. Swarup Mohanty**

CEO - Mirae Asset India

“ On behalf of Mirae Asset, we'd like to thank finX and CIEL for allowing us to be part of this very novel process of graduating young students from being educated to job worthy. It is a process which we've enjoyed being part of and we wish all the students all the very best in their careers and hope they shine as the future for them is extremely bright. Once again, we'd like to thank all involved in allowing us to be part of this extremely satisfying process ” ”

# ALUMNI FinX Connect

FinX Connect is the dedicated placement platform of FinX Institute, designed to bridge the gap between skilled learners and industry-ready opportunities. The platform enables seamless engagement between students, recruiters, and the FinX placement, ensuring a smooth and transparent placement process.

For alumni, FinX Connect serves as a continuous career-support platform—offering access to new job opportunities, lateral roles, and upskilling pathways across the BFSI sector. The portal allows alumni to stay connected with the FinX network, explore career advancements, and apply for openings that align with their evolving professional goals.

For recruiters, FinX Connect offers a streamlined interface to discover trained, job-ready talent equipped with practical skills and industry-aligned competencies.

FinX Connect makes placement simple, efficient, and impactful—turning preparation into opportunity.

# FACULTY MEMBERS

Our faculty pool comprises some of the most distinguished and accomplished professionals in the BFSI industry, each bringing decades of hands-on experience, industry insights, and deep subject expertise. Their extensive industry background enables them to translate complex financial concepts into practical, real-world understanding, turning classrooms into vibrant learning environments where theory and application merge seamlessly. At FinX Institute (formerly BSE Institute), our faculty members are committed to an experiential pedagogy that goes far beyond traditional teaching methods. They engage students through simulations, case studies, live market interactions, role plays, and problem-solving exercises that mirror real life scenarios. This immersive approach not only builds strong technical capability but also nurtures critical thinking, analytical clarity, communication skills, and professional decision-making. By learning directly from practitioners who have contributed to shaping the financial sector, students gain the confidence, agility, and industry-ready skill set required to excel in an increasingly dynamic and competitive financial landscape.
